John Deere F935 Diesel Lawn Mower 72" deck for sale online ...

I have a John Deere F935 with a Yanmar diesel engine that won't start. It was running but started losing power and now won't start. It puffs black smoke when it is turning over and acts like it wants to start when I pull the throttle back to idle but never starts.

I have a Deere F935 with a Yanmar diesel engine that won't ...

I have a John Deere F935 72" front mower with a Yanmar 3 cylinder diesel engine. There are three wires that go to the fuel shut-off solenoid (1 white, 1 black, and a smaller pink wire). When I turn the key ON the white and pink wire get 12-volts. After a few seconds a relay in the control module "clicks" and the white wire loses 12-volts.

John Deere makes a snow blower for this tractor but its of course priced green. The pto speed on this is 2400 rpm so they use either a gear reducer or some have a chain drive, we'll go chain, needed a donor for the box that drives the auger. Mentioned it to a buddy who had a Gravelly Snow Cannon. What a beast, Im sure OHAS would love it.
