Most actually know his design work, publicized in Giampiero Bosoni's outstanding work on Albini from the Minimum Design series, published in 2011. While Suspending Modernity offers a superior level of research and scholarly rigor, the Bosoni catalog shines in a crucial area that is sorely lacking in this new publication from Ashgate: photography. This is likely to limit the audience for this book and exposure to Albini's oeuvre.

The architecture of Montreal, Quebec, Canada is characterized by the juxtaposition of the old and the new and a wide variety of architectural styles, the legacy of two successive colonizations by the French, the British, and the close presence of modern architecture to the south. Much like Quebec City, the city of Montreal had fortifications, but they were destroyed between 1804 and 1817.
